

# I Can't See Myself Without You

Sondre Lerche

[Verse 1]

Darling of mine  
I've no desire to do you wrong  
The story's short, the excuse is long  
Oh, darling  
Oh, darling  
I wasn't looking for someone else  
Just some other part of myself

[Chorus]

Oh, darling  
Oh, when I see the pain I cause in plain view  
Oh, darling  
I can't see myself without you

[Verse 2]

Darling of mine  
I slipped into the faceless pack  
Like I just shot someone in the back  
Oh, darling  
Oh, darling  
If temptation creates the thief  
The pleasure cannot match the grief

[Chorus]

Oh, darling  
Oh, when I see life from a far in clear view

Oh, darling  
I can't see myself without you  
Oh, darling  
I can't see myself without you

[Verse 3]

Darling of mine  
The ego wants everything and more  
In pursuit of an even score  
Oh, darling  
Oh, darling  
I wasn't looking for someone else  
Just another part of myself, and another  
Yeah, and another, and another, and another

[Chorus]

Oh, darling  
Oh, when you whisper in my ear I come to  
Oh, darling  
I can't see myself without you  
Oh, no, darling  
I can't see myself without you  
Oh, darling  
I can't see myself without you
