

Let My Love Open The Door

Sondre Lerche

People keep repeating
That you'll never fall in love
When everybody keeps retreating
But you can't seem to get enough

Let my love open the door
Let my love open the door
Let my love open the door
To your heart

When everything feels all over
Everybody seems unkind
I'll give you a four leaf clover
Take all the worry out of your mind

I have the only key to your heart
I can stop you falling apart
Release yourself from misery
Only one thing gonna set you free
That's my love

Let my love open the door
Let my love open the door
Let my love open the door
To your heart

Tragedy befalls you
Don't let it drag you down
Love can cure your problems
You're so lucky I'm around

Let my love open the door
Let my love open the door
Let my love open the door
To your heart

To your heart
To your heart
To your heart
