

Pioneer

Sondre Lerche

This could be asking for more than I merit
This could be testing your patience

I really don't have a whole lot to draw from
But I'd be willing to learn
Only...
Don't expect too much style and finesse
But don't be surprised if I impress

I say this even though...
I'm almost sure by now you know

I say this even though...
I'm almost sure by now you know
