

## Siamese twin

Sondre Lerche

I live upstairs from you  
I just became your neighbor  
We could be sisters, brothers, pawns in love and labor  
And I want  
You to know  
I won't gossip or gloat  
We could share anything  
Be my siamese twin

I live upstairs from you  
I'd like to get together  
Let's get to know each other's flaws and failures better  
And I want you to share anything you can spare  
I'll be your next of kin  
Be my siamese twin

I couldn't sleep last night  
I'm outlining your body  
We're so alike, the two of us, so you can't fool me  
Come upstairs for a drink  
It's about time, don't you think  
I'll be all ears and yours  
It's what neighbors are for  
We can do anything  
Be my siamese twin
