One double O got signed by breakfast  
My girls left wrist can't stop gleaming  
I don't wanna hear 'bout Netflix  
I'm at K Mo's set I'm beaming

I know man that'll give you black eye for the pieces  
Just trust me  
I got a feeling

Fuck you  
I'll stand on the ceiling  
I been awake since Wednesday evening  
No ZZZ for the week  
Ain't slept for the week  
In studio lights on scheming

S, O, N, G, E to the R  
Same level as me  
You're dreaming  
Got a lipstick stain on my tracksuit  
I don't know where from  
I'm steaming

Fuck you  
Pay me  
Three bottles of vino  
Sat in my green room  
But I'm on a mission like Katy  
Side of the stage at K Mo  
Doing up champagne  
Celebrate daily  
I feel like Carly Rae Jepsen  
When they want hits, they call me, maybe

OG like Claude Makelele  
But I'm just 2, 3. I'm a baby  
I stepped in clean  
It was o 16  
But the tunes that I dropped  
So, pay me

S, O, N, G, E to the R  
Same level as me  
You're crazy  
Got a lipstick stain on my necklace  
But it match my creps looks wavey

Can't stop gleaming
