

Almost Was Good Enough

Songs: Ohia

It's been hard doing anything
winter stuck around so long
I kept trying anyhow and I'm still trying now
just to keep working just to keep working
I remember when it didn't use to be so hard
this used to be impossible
A new season has to begin
I can feel it leaning in whispering "Nothing's lonely now"
Nothing anymore in pain
A tall shadow dressed how secrets always dress
when they want everyone to know that they're around
leaning in whispering "my friend over there
don't know what he's talking about"
Did you really believe
that everyone makes it out?
Almost no one makes it out
I'm going to use that street to hide
from that human doubt
to hide from what was shining
and has finally burned us out
But if no one makes it out
How come you're talking to one right now
for once almost was good enough
