

## Crab Orchard

Songs: Ohia

captain the horseman and hound south travelin slowly  
my loyalty to crossroads and thresholds  
comes with my rising hope to leave this hunt unfollowed  
My blood's courage courses to rendezvous  
with freedom(x4)  
i swore nothing in my passing(in my passing)  
to die like surrender would teach me a lesson  
"Judas", they too would cry  
oh oriole in the mile before dawn  
do not return a treasonous song unguarded
