

## No Limits on the Words

Songs: Ohia

Put no limits on the words  
Simply to live, that is my plan  
Simply to live, that is my plan  
In a city that breaks us

I will say nothing  
I will say nothing  
I will say nothing  
I will say nothing

I can tell that the shadow likes you still  
Like the memory, my heart keeps remembering  
That simply to live that was my plan  
That simply to live that was my plan

And I will say nothing  
And I will say nothing  
And I will say nothing  
And I will say nothing
