

# Oh No

Sonia Dada

Oh no  
What am I gonna do  
When they bury you  
In the cold ground  
My old man  
Oh, he's sick in a bed  
And it makes me sad  
The things I never said

Oh no  
What am I gonna do  
Oh no  
What am I gonna do  
When the sun starts to rise  
In the morning time  
In a world that don't you  
And time you know it comes to an end  
I'm lookin' at a faded picture  
And you were younger then  
Younger then

Oh no  
What am I gonna do  
Oh no  
What am I gonna do  
Lovers come and go  
But there's one thing (one thing) you should know  
I'll always love you so

Oh yeah yeah  
Oh whoa oh whoa  
Daddy  
When they take you away  
A part of me will die  
And a part of you  
Will live on inside of me  
And as time passes by  
You know I'll pull though yes I will  
But I want to tell you  
How much I'm gonna miss you

Oh no  
What am I gonna do  
Oh no  
What am I gonna do
