

# The Devil Made Me Do It

Sonic Boom Six

Another weekend  
Another blank memory  
Only evidence is empty cash  
machine and sore head  
To tell me what might have been  
Wake up alone but not in my bed  
Another strange house  
Another stranger in town  
Who's realising that what goes up  
Has gotta come down  
Maybe once and for all  
Nobody here who's gonna be the one to stop this fall

Don't have to get high  
The devil made me do it  
To have a good time  
The devil made me do it  
Give me an alibi  
The devil made me do it  
I turn around hes on my shoulder asking me

How high do you wanna go?  
It had me coming up but now I'm only feeling low  
How high do you wanna go?  
The devil made me do it, the devil made me do it  
I know what goes up must come down

Another weekend  
Another "what could have been?"  
Its only a laugh have one more half  
Another new friend  
Another random settee  
Fuck it I'm on one while your at it you can sell us three

Don't have to get high  
The devil made me do it  
To have a good time  
The devil made me do it  
Give me an alibi  
The devil made me do it  
I turn around hes on my shoulder asking me

How high do you wanna go?  
It had me coming up but now I'm only feeling low  
How high do you wanna go?  
The devil made me do it, the devil made me do it  
I know what goes up must come down

And now its gone  
Your only gonna want more  
Nicotine, ketamine, amphetamine, marijuana, ecstasy or alcohol  
Nicotine, ketamine, amphetamine, marijuana, ecstasy or alcohol  
Nicotine, ketamine, amphetamine, marijuana, ecstasy or alcohol  
Nicotine, ketamine, amphetamine, marijuana, ecstasy or alcohol  
Nicotine, ketamine, amphetamine, marijuana, ecstasy or alcohol

Hes asking me

How high do you wanna go?  
It had me coming up but now I'm only feeling low  
How high do you wanna go?  
The devil made me do it, the devil made me do it  
I know what goes up must come down  
Those things I saw I wanted more  
I know what goes up must come down  
Those things I saw I wanted more  
I know what goes up must come down.
