

# My Escape

Sonic Syndicate

I see the world through eyes of desperation  
Never knew how long I'd fall  
But I fell through years and years of darkness  
Still I cannot seem to hit the ground

I let my guard down and you caught me by surprise  
Nothing is ever carved in stone

Will I spend my life wondering  
What could have been?  
(If I didn't throw it away)  
Or will I struggle on  
And find a better path for myself  
(for myself)

I build my life upon decades of experience  
But what I build for years took days for you to raze  
In the end I learned that one single snowflake  
Can set an avalanche in motion

Some questions are dangerous, the truth is not an option  
This is the illusion I pulled down over your eyes  
But I let my guard down and you caught me by surprise  
Nothing is ever carved in stone

Will I spend my life wondering  
What could have been?  
(If I didn't throw it away)  
Or will I struggle on  
And find a better path for myself  
(for myself)

I secure my every step, slowly I advance away from you  
How can I forgive you when it wasn't your fault

Will I spend my life wondering  
What could have been?

Will I spend my life wondering  
What could have been?  
(If I didn't throw it away)  
Or will I struggle on  
And find a better path for myself  
(for myself)

Will I spend my life wondering  
What could have been?  
(If I didn't throw it away)  
Or will I struggle on  
And find a better path for myself
