

## Sleepin Around

Sonic Youth

Sleepin' around, sleepin' around  
What will the neighbors say?  
Sleepin' around, all over town  
What will the neighbors say?

What you did was wrong  
What did you good is gone  
Nothing you do is right  
Always ends up in a fight

Sleepin' around, sleepin' around  
What will the neighbors do?  
Sleepin' around, all over town  
What will the neighbors do?

What you did was wrong  
What did you good is gone  
Nothing you do is right  
Always ends up in a fight

Sleepin' around, sleepin' around  
What will the neighbors think?  
Sleepin' around, all over town  
What will the neighbors think?

What you did was wrong  
What did you good is gone  
Nothing you do is right  
Always ends up in a fight
