

# I Can't Wait

Sonique

I can't wait around for you to decide  
If you want my love yeah, if you need me now, oh  
I can't wait around for you to realize  
I'm the one for you yeah, I'm the one that's true, oh

I can't wait around for you to recognize  
That I feel for you and you make me blue, oh  
I can't wait around for you to understand  
I'm the one for you and I love you, oh

I can't wait around for you to decide  
If you want my love yeah, if you want me now, oh  
I can't wait around for you to realize  
I'm the one for you yeah, I'm the one that's true, oh

I can't wait around for you to recognize  
That I feel for you and you make me blue, oh

Sometimes I feel like I'm at the beginning  
Sometimes I feel like I'm at the end come whatever  
Sometimes I feel like I'm at the beginning  
Sometimes I feel like I'm at the end come whatever

Sometimes I feel like I'm at the beginning  
Sometimes I feel like I'm at the end come whatever  
Sometimes I feel like I'm at the beginning  
Sometimes I feel like I'm at the end come whatever

I can't wait around for you to decide  
If you want my love yeah, if you want me now, oh  
I can't wait around for you to realize  
I'm the one for you yeah, I'm the one that's true, oh

I can't wait around for you to recognize  
That I feel for you and you make me blue, oh  
I can't wait around for you to understand  
I'm the one for you and I love you, oh

Sometimes I feel like I'm at the beginning  
Sometimes I feel like I'm at the end come whatever  
Sometimes I feel like I'm at the beginning  
Sometimes I feel like I'm at the end come whatever
