

# Sky

Sonique

**C#m**

Look at me

**A** **B**

It really was not easy

**C#m**

But I can breathe

**A** **B**

And I'm so grateful 'cause I can see

**C#m** **A**

I am free to do exactly what I please

**B** **C#m**

So come with me to a place where we can be

**C#m A E**

Ooh I wanna touch the sky

**B C#m**

I wanna fly so high

**A E**

Ooh I wanna hold you

**B C#m**

I wanna love you tonight

**A E**

Ooh I wanna touch the sky

**B C#m**

I wanna fly so high

**A E**

Ooh I wanna satisfy

**B C#m**

I wanna make you cry

**(C#m A B)**

Follow me to a place where we can be

Absolutely free

To be exactly what you want to be

Completely, lose control that's when I need you more

Give me the key, to set your heart and spirit free

Ooh I wanna touch the sky

I wanna fly so high

Ooh I wanna hold you

I wanna love you tonight

Ooh I wanna touch the sky

I gonna fly so high

Ooh I wanna satisfy

I wanna make you cry

**(C#m A B)**

I know what I want

And I know I need it right now

Gonna take you on a journey

To a far away place now

Gonna take you on a journey to a far away place now

Ooh I wanna touch the sky

I wanna fly so high

Ooh I wanna hold you

I wanna love you tonight

Ooh I wanna touch the sky  
I wanna fly so high  
Ooh I wanna satisfy  
I wanna make you cry

**(C#m A B)**

Ooh like a bird in the sky  
Just you and I  
I'm gonna fly like a bird in the sky  
Just you and I  
We're gonna fly like a bird in the sky  
Just you and I

**(C#m A E B)**

I wanna love you now  
I wanna take you high  
I wanna give you everything  
That you desire

I wanna love you now  
I wanna take you high  
I wanna give you everything  
That you desire

I wanna love you now  
I wanna take you high  
I wanna give you everything  
That you desire
