

United We Stand

Sonny & Cher

There's no where in the world
That I would rather be
Then with you, my love

And there's nothing in the world
I rather see
Then your smile, my love

For united we stand
Divided we fall
And if our backs should
Ever be against the wall
We'll be together
We'll be together

If the world around you
Falls apart, my love
Then I still be here

And if the going gets too hard
Along the way
Just call and I'll be here
