

Keep it a million, me and my niggas we up, yeah
Only want millions, my lawyer know what's up
Know I got lean and beans, with sprite in a cup
I keep some goons right in a room who don't give a fuck
I'm a chameleon, got purp in my cup
I keep the green on me, my brother a blood
Niggas been hatin' so bad that I need some love
I need a million and a plug (let's go)

I'm off a perc and I'm gone, yeah
I got the dope, smokin' strong, yeah
Don't want relations I want the dome, yeah
This drip is impeccable they tryna clone, yeah
I'm on a gas now, don't gotta ask now
I need that cash now, bitch I'm a [?]
Come to a show and these bitches they showing they tits
Then I go to the studio and I proceed to make hits, yeah yeah yeah
Niggas ain't doing too much they sit on a couch
Thinking 'bout life tryna figure it out
Is it a God sometimes I doubt
I do this for real you do it for clout
Wack, wack, wack, wack, yeah
I keep it real and you cap, cap, cap, cap

Keep it a million, me and my niggas we up, yeah
Only want millions, my lawyer know what's up
Know I got lean and beans, with sprite in a cup
I keep some goon right in a room who don't give a fuck
I'm a chameleon, got purp in my cup
I keep a green on me, my brother a blood
Niggas been hatin' so bad that I need some love
I need a million and a plug (let's go)

I need a million dollars, I need a million dollars
I need a Louis Vuitton fit, to go with my brand new goggles
I need a brand new watch, niggas in the trap need a brand new clock
Niggas doing all they hating, I need a brand new Glock
How many times did I told you we was in motion, we was getting focused
How many times did I told you we was gon' blow but you didn't notice us
Keep it a stack, I spend a check, I got it back
This shit stressful, popped a perkie, gotta relax
Got a perkie from my dog, for my nigga lately I've been going hard
Please don't ask me what I'm on, I'm a keep it a stack and

Keep it a million, me and my niggas we up, yeah
Only want millions, my lawyer know what's up
Know I got lean and beans, with sprite in a cup
I keep some goon right in a room who don't give a fuck
I'm a chameleon, got purp in my cup
I keep a green on me, my brother a blood
Niggas been hatin' so bad that I need some love
I need a million and a plug (let's go)
