

Off White, Panamera, lookin' like a shark on shore
Trippin' off the psychedelics, I think I can take some more
Bad days, go away, I'm not tryna stress today
Live it up like everyday
Live it up like everyday

Let's go higher (5, 4)
Let's go higher (3, 2)
Let's go higher (1, 1, 1, 1, 1, 1)
Let's go take a trip to the moon
Let's go higher, yeah
Go higher
Let's go higher
Let's go take a trip to the moon, yeah, yeah, yeah

Am I alright? (alright)
'Cause I been rollin', rollin' all night (all night, yeah)
Might hit the city for them bright lights (bright lights)
Only got one, you gotta live your life (live your life, yeah)
Yeah, yeah

Off White, Panamera, lookin' like a shark on shore
Trippin' off the psychedelics, I think I can take some more
Bad days, go away, I'm not tryna stress today
Live it up like everyday
