Sonny Digital

You know what's so crazy, man? Is like, it breaks my heart
Nah, it really fuckin' breaks my heart
That there's people out there that don't believe in us
It's people that don't believe in us
That shit breaks my fuckin' heart
Nah, it's fuckin' crazy if you really think about, like, it's a
ctually humans that don't believe in us

Ooh, we know, we know
Ooh, we know, we know
Ooh, we know, we know
Can't believe that you didn't believe in me
