

# Never Again

Sonny Digital

Never again, I swear I (No, no, no, no)  
Never again, I swear I  
I can't love you (Love you)  
Fuck you (Fuck you)  
Touch you (Touch you)  
I want you  
How you turn your back when I needed you?  
Only trusting God, can't believe in you  
No, no, no, never again  
How you turn your back when I needed you? (Needed you)  
Only trusting God, can't believe in you  
Never again  
How you turn your back when I needed you? (Needed you, how you  
turn your back?)  
Again, never again  
That's how I feel  
  
Never
