

# Feeling U

Sonny Fodera

Baby, I saw you  
Coming out across the room  
Now tell me what you wanna do

Are you from round here  
Cause I ain't seen your face before  
But I know I'd like to see some more

Give me your number  
This really isn't my style  
But if you wanna ride I'm down  
Cause I got this feeling  
That I ain't never had before

I'm feeling you I'm feeling you  
I'm feeling you I'm feeling you  
I'm feeling you  
I'm feeling you I'm feeling you  
I'm feeling you I'm feeling you  
I'm feeling you

Now baby before you  
Go ahead and make you mind up  
I just wanna let you know  
I've been thinking about you  
From the moment I rise  
I don't wanna have regrets  
But I  
I don't really know what to say  
I don't really know what to do  
Only one thing that I'm sure  
Is that I'm feeling you

I don't really know what to say  
I don't really know what to do  
Only one thing that I'm sure  
Is that I'm feeling you  
I'm feeling you  
I'm feeling you I'm feeling you  
I'm feeling you  
I'm feeling you I'm feeling you  
I'm feeling you  
I'm feeling you I'm feeling you  
I'm feeling you  
I'm feeling you

Sounds simple but I want you to know  
That you're evoking my emotions get me outta control  
And I'm hoping that you're feeling it too  
The way that I'm feeling you  
I got the tension only you can release  
So give in to my desire oh I'm begging you please  
And I'm hoping that you're feeling it too  
The way that I'm feeling you

I'm feeling you  
I'm feeling you I'm feeling you

I'm feeling you  
I'm feeling you I'm feeling you  
I'm feeling you  
I'm feeling you I'm feeling you  
I'm feeling you  
I'm feeling you
