## **Take Me Back**

## **Sonny James**

Take me back I'm begging please take me back I'm on my knees For you to scold me hurt me hold me darling take me back

When you belonged to me I had a jealous mind Too late I've learned that you were not the cheating kind Take me back...

My jealous eyes have learned to take a look or two They were too blind to see that I was losing you Take me back...

They say you live and learn and though I've tried before I promise never to be jealous anymore Take me back...
