

You're The Reason I'm In Love

Sonny James

(You're the reason you're the reason you're the reason I'm in love)
You're the reason I'm in love you're my shining star above
You're my every dream come true that's why I love you like I do
Adam shared his love with Eve some may doubt but I believe
I would give my life for you that's why I love you like I do
(I would give my life for you) that's why I love you like I do
You're the reason I'm in love
Yes you're the reason I'm in love
