

Calling  
They're coming  
Who are they  
A warning  
I'm hiding  
No worries  
Feeling deflated  
Faded  
Committed  
To living defeated  
A corner somewhere  
Somewhere I don't know

I'm living  
Living in the dark  
Breathing  
Breathing in the dark  
I'm feeding  
Livid in the dark

I'm living in the dark

Coming  
They're calling  
Who are they  
A warning  
I'm hiding  
No worries  
Feeling not needed  
Faded  
Committed  
To living defeated  
A corner somewhere  
I've never been before

I'm living  
Living in the dark  
Breathing  
Breathing in the dark  
I'm feeding  
Livid in the dark

I'm screaming  
Screaming in the dark  
I'm bleeding  
Bleeding in the dark

I'm livid  
I'm living in the dark

I'm living  
Living in the dark  
Breathing  
Breathing in the dark

I'm fitting  
Livid in the dark

I'm screaming  
Screaming in the dark  
I'm bleeding  
Bleeding in the dark

I'm livid  
I'm living in the dark
