

Suck up Everything

SONOIO

You're not the one
Who can relate
Not the one
I'm not afraid
Not the one
Suck up everything

You're not the one
Morning aches
Not the one
Every day
Not the one
Who makes mistakes again

You're not the one
Who knows the deal
Not the one
Used to feel
Not the one
Who used to know what's real

You're not the one
I need near me
Not the one
I let you be

You're not the one you used to be
Not the one you used to be
Not the one you used to be
You're not the one you used to be
Not the one you used to be
Not the one you used to be

You're not the one you used to be
Not the one you used to be
Not the one you used to be
You're not the one you used to be
Not the one you used to be
Not the one you used to be
You're not the one you used to be
Not the one you used to be
Not the one you used to be

Not the one you used to be
Not the one you used to be
Not the one you used to be
Not the one you used to be
You're not the one you used to be
You're not the one you used to be
You're not the one you used to be
You're not the one you used to be
