

bank on me

SonReal

I bank on me like a cheque I just cashed
I bank on me like a ball off the glass
I run it up they callin' me the road runner
Skrr, I ain't never outta gas till the sun up
And I don't even know nobody in here
Find me out back in an old beach chair
I'm over their head like a chandelier
When I drop fire like Nandos, ya

I park my feelings in the driveway (the driveway)
Now I never worry 'bout your take on me (take on me)
I didn't hear you beg your pardon (your pardon)
Don't need no credit, I just bank on me

Bank bank bank bank bank
Bank on me
Bank bank bank bank bank
Bank on me

I bank on me like I did from the jump
No fans bumping me out the trunk
But that right there gave me 1 up
Hits like Gunna won't stop till they run up
And I don't even know nobody, that's true
Got my own juice that I mixed for you
I'm over their heads got my own damn view
Show these young kids what they all can do

I park my feelings in the driveway (the driveway)
Now I never worry 'bout your take on me (take on me)
I didn't hear you beg your pardon (your pardon)
Don't need no credit, I just bank on me

Bank bank bank bank bank
Bank on me
Bank bank bank bank bank
Bank on me

I'm chefin' up a better way
Got my own sauce with the feta
No cappin' Imma lead my way
So ya better better
Bank on me

Bank bank bank bank bank
Bank on me
Bank bank bank bank bank
Bank on me
