

# Calm Down

SonReal

Lil' ol' me, I don't need no introduction (Hey)  
If you fucking with the function, then you know how it go though (Ayy)  
Jump so high that they can't touch the mojo (Yee)  
Only rapper hitting falsettos like Jojo (Ooh)  
Break it down to it, baby girl, go slay (Go slay)  
Two bummed knees, hey, I don't play (Hey)  
Never had to reach for the money I make (Woah)  
Lost forty bucks on blackjack, no way (Ah)

Woah, ha  
Money make the world go broke, ha  
Blow up then we all blow smoke, ha  
When it run out, we gotta make more  
Now don't you tell me

Calm down, calm down  
Hold up, calm down  
Calm down, calm down  
No money on my mind, no money on my mind, so  
Calm down (Ayy), calm down (Hey)  
Hold up, calm down  
Calm down (Ayy), calm down  
No money on my mind, no money on my mind, so (Yeah)

Lil' ol' me, I don't need to show 'em nothing (Yeah)  
I just pull up to the function in an Lyft, riding solo (Ooh)  
Knew how to flex with no muscle since a broke bro (Yee)  
Getting up for work, PB and J on the toast though (Yeah, yeah)  
Stack that up, put it in that safe (That safe)  
Copped a surfboard 'fore I hit that wave (That wave)  
Don't ask me why your new bounce fade (Ah)  
Spent your check 'fore your ass got paid (Wow)

Woah, ha  
Money make the world go broke, ha  
Blow up then we all blow smoke, ha  
When it run out, we gotta make more  
Now don't you tell me (Don't say)

Calm down, calm down  
Hold up, calm down  
Calm down, calm down  
No money on my mind, no money on my mind, so (Yee)  
Calm down (Ayy), calm down (Hey)  
Hold up, calm down  
Calm down (Ayy), calm down  
No money on my mind, no money on my mind, so

Yeah, yeah  
Yeah-yeah, yeah-yeah  
Tell 'em calm down, I'm slick like the Ruler  
You too concerned, got your mind on mula  
Heard 'em say, "Why he ain't blow no sooner?" (Ayy)  
Since I went pop, they love popping them rumors  
Holy guacamole, man, I shine just like a Rollie, man  
So don't you call me Aaron if your ass ain't never know me then  
She might back up, but I'll never back down (Down)

Put on my town, how the hell I calm down?

(Hey, woah)

Hold up, calm down

(Yeah, woah)

Hold up, calm down
