You don't love?

You gon love me

Like

Can I have a penny for a thought, baby?

Can I have a nickel for a say?

Cause I ain't got a lot of luck

I ain't got a lot of luck

I ain't got a lot of luck today

Just a penny for a thought, baby

And just a nickel for a say

Cause I ain't got a lot of luck

I ain't got a lot of luck

I ain't got a lot of luck today

I don't need much, just a pen and pad

Just an emo beat when I'm feeling sad

And I don't give a fuck what all these rappers say

When they acting famous before they got accolade

Ain't real, that ain't real, bro

I don't need a lot to make it work

Don't need no molly to go make it twerk

I'd rather drop my money on some clothes

And drop it up on these hoes whey they saying they love my show

Go get her, go get her

I don't ever really try hard, I sound better when I don't

And I don't need to tell you that I'm real

If you really wanna know, just buy them albums that I wrote, fucker

I don't really need no shades today

The sun ain't really even out

And plus lately I'm down up on my luck

So would you spare my ass and listen if I wrote this hook to show

Can I have a penny for a thought, baby?

Can I have a nickel for a say?

Cause I ain't got a lot of luck

I ain't got a lot of luck

I ain't got a lot of luck today

Just a penny for a thought, baby

And just a nickel for a say (true)

Cause I ain't got a lot of luck

I ain't got a lot of luck

I ain't got a lot of luck today

I don't need a bad bitch, I just need a nice girl

You can go and call me corny, I just call that mad real

I don't need no glitter for you to see that I'm shinning

You can go and cop my disk and check the way that I'm rhyming

I don't need a lot of money, I'm a get a lot of money

When I do, me and my homies don't get rid of lot of money

I don't need no Henney but I'll sip it if it's there

Man, I'm cool with Pabst Ribbon on another shitty beer

I don't need no double time, but trust me, I can sink it all

Any motherfucker that be tripping on my lyrics gonna soon become extinct

People say I'll blow off the fact that I'm really good

If really good is how you blow, then there'd be a lot more who would
I woke up here this morning, no cereal in the box
Just locked up in a room with no keys to any of the locks
But I don't need much, you heard that in the first
Before we getting better, we always be getting worse so I'm saying, I'm sayi
ng

Can I have a penny for a thought, baby?
Can I have a nickel for a say? (can I?)
Cause I ain't got a lot of luck
I ain't got a lot of luck
I ain't got a lot of luck today (That's true)
Just a penny for a thought, baby
And just a nickel for a say
Cause I ain't got a lot of luck
I ain't got a lot of luck
I ain't got a lot of luck today

I've been giving in for so damn long
Feeling like the end of my song
But all I want before we're finished
All I want before we're finished
Is for us to say, "We did it!" [x2]

Can I have a penny for a thought, baby?
Can I have a nickel for a say?
Cause I ain't got a lot of luck
I ain't got a lot of luck
I ain't got a lot of luck today
Just a penny for a thought, baby
And just a nickel for a say
Cause I ain't got a lot of luck
I ain't got a lot of luck
I ain't got a lot of luck today
