

Be With You

Sons Of Zion

Just to let you know lady
You're constantly on my mind
Give me one chance I'll show you baby
I promise I'll be worth your while
Oh yeah yeah yeah yeah
They say love makes this world go around
But would it spin if you weren't on the ground
Coz I and I am oh most certain
You're like a curtain
You hold me when I'm hurting
Can you feel my heart its burning

It's on fire
Oh yes my heart is on fire
Said you're my one desire
And you can't call me no liar
It wouldn't hurt us to try it
Oh baby don't you deny it
Before you walk out that door
I just need to know
If I can be with you forever

Me want to hold you in the middle of the night
Me want to hold you in the daytime to yeah
Me want to make sure everything with you is alright
Just one question
Can I be with you yeah
Can I be with you yeah

Did I ever tell you baby
I want you here by my side
Just us together there ain't nothing better
Jah knows I wouldn't tell no like yeah
For us to be walking hand in hand
I don't want nothing else
Just let me show you I'm the one who adores you
You're as bright as the day
You set light to my flame

Like a fire
Oh yes my heart is on fire
Said you're my one desire
And you can't call me no liar
It wouldn't hurt us to try it
Oh baby don't you deny it
Before you walk out that door
I just need to know
If I can be with you forever

Me want to hold you in the middle of the night
Me want to hold you in the daytime to yeah
Me want to make sure everything with you is alright
Just one question
Can I be with you yeah
Oh can I be with you
Can I be with you yeah
One more time said can you tell me baby

Can I be with you yeah
Oh girl yeah
Can I be with you yeah
Said I know that you're the one for me
Yeah
