

I Want More

Sons Of Zion

(You me medicine rongoā)

Yeah I say girl
You take me on a ride to paradise
For you I'd gladly drive a thousand miles
No day, no night I'm losing track of time
Still I want more, more, more

I breathe you in every morning
Me medicine rongoā
Ahi kā get it burning
I can't wait to light it up
Girl you're my ecstasy it
Took my ex to see it's you
Girl you're my remedy yeah
And all I want is

More
You know I can't get enough girl I want more
Fill my cup to the top make it overflow
When you're around me there's one thing that's for sure
There ain't nothin' I want more (ooh na na now e hine)

Gimme more, gimme more, gimme more
Warawara ana I a koe
Don't you know, don't you know, don't you know
Wherever you go me I go eh

Whakarongo mai e hine ki taku manawa e pātukituki atu nei ki a koe
Whakarongo mai e hine ki taku manawa e pātukituki atu nei ki a koe

I breathe you in every morning
You me medicine rongoā
Ahi kā we keep it burning
Can't wait to light you up girl
You my ecstasy it
Took my ex to see it's you
You're my remedy yeah
'Cause all I want is more and more and

More

Fill my cup to the top make it overflow
When you're around me there's one thing that's for sure

You know I can't get enough girl I want more
Fill my cup to the top make it overflow (when you're around me yeah)
