2AM

Sonta

It's 2AM in my feelings and I'm cryin-n-n
It's 2AM in my feelings, damn I hate him
What we doing, I miss your kiss
Miss them soft lips, lips, lips
We was the shit, we had them pissed
Do you miss it, it, it?

I know I been on your mind cause you been on mine
But I see we not gone get nowhere and its cause of our pride
I feel like doing some crazy shit I might blow up your line
I'm driving down Lakeshore Drive and I got tears in my eyes
I damn near can't see, you know they say love makes you blind
This just not gone work if its only one person trying
At this point I'm done, you act like love is a crime
I'm all in my feelings and then I look at the time

It's 2AM in my feelings and I'm cryin-n-n
It's 2AM in my feelings, damn I hate him
What we doing, I miss your kiss
Miss them soft lips, lips, lips
We was the shit, we had them pissed
Do you miss it, it, it?

Feel like your playing with my head boy
You got me fucked up
You gone be hurt when I move on you know that he gone look up
One minute you be in love and the next you acting stuck up
The truth is that neither one of us really know what we want
Cause we be riding
And when we be together we be vibing
But now its just something with us that missing
I'm starting to think its just the wrong timing
What the time is?

It's 2AM in my feelings and I'm cryin-n-n
It's 2AM in my feelings, damn I hate him
What we doing, I miss your kiss
Miss them soft lips, lips, lips
We was the shit, we had them pissed
Do you miss it, it, it?
