

Attitude

Sonta

If you wondering why he sitting around with an attitude
It's cause he's mad at you cause I let him have you, ohh
It's not where he's at, it's where he wanna be yea
Cause wherever I'm at, that's where the grass is greener yea

I don't want ya man baby I already had him
I had him and I can have him anytime I want
You can ask him, just ask him
He calling my phone saying he hate it there, yea
Said he wanna come home because he love it here, yea
You ain't take him, I gave him to you
I can have him if I wanted to
I know you think that you something new
But baby I'm what he's used to sooo

If you wondering why he sitting around with an attitude
It's cause he's mad at you cause I let him have you, ohh
It's not where he's at, it's where he wanna be yea
Cause wherever I'm at, that's where the grass is greener yea

If you wondering why he sitting around with an attitude
It's cause he's mad at you cause I let him have you, ohh
It's not where he's at, it's where he wanna be yea
