

# Come & Please Me

Sonta

This is getting serious nah  
Cause I showed you that I loved you  
Nah you been acting distant  
When I'm talking to you I can tell that you don't really listen  
What am I missing?  
I can't lie I want that feeling back baby  
How can we fix it?  
Don't wanna risk it, want you to kiss it

Tell me what's the problem baby  
Don't wanna read the lines get in between  
My legs or I could ride you like a beat  
No more being discreet  
I'll massage you then you massage me  
We both know where that leads  
You got me in my feelings  
Don't walk away let's not leave  
Then I thought about it

I want you to come appease me for once  
Come and please me for once  
You don't ever come to me  
You don't ever come to me  
I want you to come appease me for once  
Come and please me for once  
You don't ever come to me  
You don't ever come to me

You the reason I'm writing this song  
You always think your right  
So you can never see where you go wrong  
If you want it easy then I think with me is not where you belong  
You can't keep it real and you couldn't tell me sorry  
I can never sit up and be any man's fool  
And I thought no matter what you woulda stayed true  
You said you wouldn't switch up (On me)  
Now you act like you don't give a fuck (about me)  
But it's gon hurt you in the end so I ain't even mad at you (ain't even mad  
at you, ain't even mad at you)

Tell me what's the problem baby  
Don't wanna read the lines get in between  
My legs or I can ride you like a beat  
No more being discreet  
I'll massage you and then you massage me  
We both know where that leads  
You got me in my feelings  
Don't walk away let's not leave  
Then I thought about it

Playing with that love word ah really get you hurt  
Don't even wast me time if you not gon put in work  
All these bitches weaker than some fucking calendars  
And I be to myself cus I always be alert  
Nah I ain't settling  
I already know my worth  
Can't waste another second cause I gotta come in first

These niggas always sweatin me but I don't Quench their thirst  
And when it's Sonta Sunday I be somewhere in a church  
How hard is it?  
How hard is it?  
How hard is it?  
To be a hunnit and keep it real  
How hard is it?

Tell me what's the problem baby?  
Don't wanna read the lines get in between  
My legs or I could ride you like a beat  
No more being discreet  
I'll massage you and then you'll massage me  
And we both know where that leads  
You got me in my feelins  
Don't walk away let's not leave  
Then I thought about it...

I want you to come appease me for once  
Come and please me for once  
You don't ever come to me  
You don't ever come to me
