

## Favorite Dancer

Sonta

Favorite dancer, be your favorite dancer  
Baby, I fulfill all of your dreams  
Favorite dancer, I'm your favorite dancer  
Baby, I fulfill fantasies

Baby, watch me dance  
Let my body get you in a trance  
Wanna see me do it with no hands?  
Well, I wanna see you throw them bands  
Give me orders, I'll take your commands  
Said drop to your knees, open your legs  
I know that's where you wanna put your dreads  
What I do for you I won't do for no other man, nah

And we fit the frame, we picture-perfect  
I fight for this love because it's worth it  
Now look me in my eyes, get ready for this ride  
I'ma climb on top, up and down, side to side  
You love the way I grind, give me all your time
