

Final GoodBye

Sonta

Boy you put me through way to much
I can't forgive you that easy
Boy you put me through way to much
I can't forgive you that easy
This is my final
This is my final goodbye!
(This is my final)
This is my final
This is my final goodbye!
This is my final
This is my final goodbye!
Bye Bye Bye
This is my final
Goodbye!

Boy I really loved you
But I gotta leave you
You tried to play me like a damn fool!
Boy you tried to play me like a damn fool!
I seen it when she called
Boy you not slick at all
But I herd it threw the wall

Telling her you miss her you can't wait to see her,
Gonna do her body right
Boy you got me fucked up
When you said that you would change
But things are still the same just get up out my face
Cause you bout to be replaced

Boy you put me through way to much
I can't forgive you that easy
Boy you put me through way to much
I can't forgive you that easy
This is my final, this is my final goodbye
This is my final, this is my final goodbye
This is my final, this is my final goodbye
Bye bye
This s my final goodbye

There was something about you
That made me stay with you
It was cool in the beginning but now you a changed dude
I can see it in your eyes
You bout to tell another lie
But I don't wanna hear it just get out cause you not wanted
Telling her you miss her
You can't wait to see her
Gonna do her body right
Boy you got me fucked up
Boy you said that you would change
But things are still the same
Just get up out my face
Cause you bout to be replaced

Boy you put me through way to much
I can't forgive you that easy

Boy you put me through way to much
I can't forgive you that easy
