

# Go Down

Sonta

Go down, go down boy  
Go down, go down boy

It's about to go down, down  
It's about to go down  
No more fantasizing I gotchu where I want you now  
I know you love the feelin  
It's going in and out  
My legs up on the ceiling,  
I'm screaming "oh!" so loud  
Dats what I'm talkin bout  
Daddy I'm all yours  
Take control  
Make me say your name I'm all for it...  
You gone leave with a smile  
With your head up in the clouds  
Everytime you come around,  
You know dat it's gone go down

Go down, go down boy  
It's about to go down  
Since we all alone  
Tonights going down

Go down, go down boy  
It's about to go down  
Since we all alone  
Tonights going down

Your body's calling for me  
(Don't you hear it baby)

Your body's calling for me  
(Don't you hear it baby)

Tonights the night that I'm gone make gou mine,  
Yeah I'm gone get you sprung  
Show me what you can do with your tounge  
Welcome to Sonta's world  
Where I'm always your favorite girl  
Boy I'm gone get you right  
I'm gone get you right  
Cus it stay tight  
It get wet as you like  
Next day you in your feelings  
You won't stop hitting my line  
Yeah it's that kind  
Better with time  
Yeah it's like wine  
And since we all alone its finna

Go down, go down boy  
It's about to go down  
Since we all alone  
Tonights going down

Go down, go down boy

It's about to go down  
Since we all alone  
Tonights going down

Your body's calling for me  
(Don't you hear it baby)

Your body's calling for me  
(Don't you hear it baby)

Phone going on airplane mode  
You better show me what you working with  
Cus I wanna see it  
Let our fantasies unfold  
Boy you betta show me what you working with  
Cus I wanna feel it...

Go down, go down  
Ohhh, ahh  
Since we all alone  
Since we all alone  
Go down, go down  
Ohhh, ahh  
Since we all alone  
Tonights going down

Go down, go down boy  
It's about to go down  
Since we all alone  
Tonights going down

Go down, go down boy  
It's about to go down  
Since we all alone  
Tonights going down

Your body's calling for me  
(Don't you hear it baby)

Your body's calling for me  
(Don't you hear it baby)
