

No Boys Allowed

Sonta

You're the real reason why
You're the real reason why
You're the real reason why
Boy, you're the reason why
You're really the reason why

I ain't looking for love
Nah, I ain't looking for love
I ain't looking for love
Nah, I ain't looking for love
I ain't looking for love
Nah, I ain't looking for love
I ain't looking for love
Nah, I ain't looking for love

No boys allowed
You made it like this
Boy, you made it like this
No boys allowed
You made it like this
When you did that shit
Oh, no boys allowed
You made it like this
Boy, you made it like this
So I ain't looking for love
I ain't looking for love

I said it's no boys ah-la-ah-owed
So get up out my club ha-ah-ouse
Heart cold like January 1st
If you wanna be with me, then you gotta put in work
Nowadays, don't tell them you the one
Can't show a nigga love
Show love, get hurt
Out his mouth bullshit is dispersed
Box wet like a boat, got him hooked like a verse
At this point, I'm done playing with niggas
I really don't got shit to say to you niggas
I put up with all of your shit
Ain't no telling what I didn't find out about
[?] I'll hold it down
You are the reason it's no boys allowed

I ain't looking for love
Nah, I ain't looking for love
I ain't looking for love
Nah, I ain't looking for love
I ain't looking for love
Nah, I ain't looking for love
I ain't looking for love
Nah, I ain't looking for love

No boys allowed
You made it like this
Boy, you made it like this
No boys allowed
You made it like this

When you did that shit
Oh, no boys allowed
You made it like this
Boy, you made it like this
So I ain't looking for love
I ain't looking for love

I don't want no boys ah-rah-ah-ound
I'm moving on, I'm not gon' bah-ah-ow
Make me crazy, call me crazy, thought I was in the wrong
Nigga also can be shady, boy, you played all along
Came in my life and acted like you would be there
Came in my life and acted like you actually cared
Now I'm thinking that I should've followed my first mind
It's really no point in crying
Can't look it like wasted time
I'm trying

I ain't looking for love
Nah, I ain't looking for love
I ain't looking for love
Nah, I ain't looking for love
I ain't looking for love
Nah, I ain't looking for love
I ain't looking for love
Nah, I ain't looking for love

No boys allowed
You made it like this
Boy, you made it like this
No boys allowed
You made it like this
When you did that shit
Oh, no boys allowed
You made it like this
Boy, you made it like this
So I ain't looking for love
I ain't looking for love

I know you won't forget it
The memory you got, I know that I'm in it
'Cause me and you, we was in it to win it
Next thing I knew, I was reaching my limit
And now I'm at the point of no return
Don't wanna hear nothing that you gotta say
Love is forgiven, but you gotta learn
I can't let loving you get in my way

I ain't looking for love
Nah, I ain't looking for love
I ain't looking for love
Nah, I ain't looking for love
I ain't looking for love
Nah, I ain't looking for love
I ain't looking for love
Nah, I ain't looking for love

No boys allowed
You made it like this
Boy, you made it like this
No boys allowed
You made it like this
When you did that shit

Oh, no boys allowed
You made it like this
Boy, you made it like this
So I ain't looking for love
I ain't looking for love
