

Picture This

Sonta

Tell me can you picture this
You stroking while my legs behind my neck
When you choke me, baby, that make me so wet
Baby, can you picture this
My sweet moans in ya ear, while fucking me slow
Baby go deep, please, don't stop we on a roll
Ya body froze, baby, you don't even know where the ice is
Boy, I promise you, you ain't never had nobody do you like this

Tell me can you picture this
Tell me can you picture it
Now tell me what you picturing
Tell me can you picture this
Ooh, he made me go, ah baby
I made him go, oh oh oh
He made me go, ah baby...

Baby, can you picture me without no panties on
Us fucking to ya favorite song, trust me, boy, ya not alone
You can tell just by the way I moan
I'm addicted to the dick
Talk to me, I love that shit
When you slide in you feel that grip
The sounds we making in this bed go, ooh...
Tell me what you want me to do
Slow motion you watching me move, baby
Ya body be calling me
Fucking you while you recording me
This Hennessy it got me loose
Understand you when I'm on top of you...
Tell me can you picture this

Tell me can you picture this
Tell me can you picture it
Now tell me what you picturing
Tell me can you picture this
Tell me can you picture it
Now tell me what you picturing
Tell me can you picture this
