

## Summer Daze

SOOJIN

Summer daze  
It takes me up so high  
That moment when I knew  
This seemed so right, hey  
Your touch like heaven  
Love me through the night  
I don't wanna hold back, this time  
I just wanna know that you're mine

It feels like I'm floating  
No way to know where we're going  
Got me so haunted  
Oh, oh-oh, oh  
It feels like you've noticed  
The never ending devotion  
Got me so haunted  
Oh, oh-oh, oh

I miss when we were drinking, you know, it got me thinking  
About you all the time, ain't nobody better  
Just tell me, how you wanna do this?  
Baby, now if you're ready to go  
I'm letting everyone see it  
Who cares if they don't believe it?  
Not running from the feeling we're creating  
You gotta know I mean it 'cause I waited so long

It feels like I'm floating  
No way to know where we're going  
Got me so haunted  
Oh, oh-oh, oh  
It feels like you've noticed  
The never ending devotion  
Got me so haunted  
Oh, oh-oh, oh
