

# Girl In The Mirror

Sophia Grace

What's up? It's your boy Silento!  
Sophia Grace  
We're about to turn up, baby!  
Let's go!

I wake up every day like, "Hello, beautiful."  
'Cause this world is so crazy and it can bring you down  
You're too short, too fat, too skinny  
Hey, well, excuse me if I think that I'm pretty

So I don't care what you say 'cause I'm original  
I'm learning how to love me from my head down to my toes  
Let 'em know, let 'em know if you with me  
Hey, 'cause I finally found the answer is in me

Tell 'em, Sophia

Whoa! My mama, she would say  
Don't you let 'em get you down  
Say what?  
How to learn to love me

That's why I'm talking to the girl in the mirror, whoa, oh  
Like even if you're down, better get up, whoa, oh  
'Cause every setback's just a set up, whoa, oh  
For something just a little bit better  
Oh, I'm talking to the girl in the mirror  
Girl, girl in the mirror  
Girl in the mirror, girl, girl in the mirror  
Girl in the mirror, girl, girl in the mirror

You'd help me

Go to sleep at night with a smile on my face  
OK  
'Cause I know who I am and I can't ever be replaced  
Oh, yeah  
So go ahead, be proud, be different  
Hey, that's what makes you one out of a million

Whoa, my mama, she would say  
Tell 'em what she said, Sophia  
Don't you let 'em get you down  
How to learn to love me

That's why I'm talking to the girl in the mirror, whoa, oh  
Like even if you're down, better get up, whoa, oh  
'Cause every setback's just a set up, whoa, oh  
For something just a little bit better  
Oh, I'm talking to the girl in the mirror  
Girl in the mirror  
Girl in the mirror, girl, girl in the mirror  
Girl in the mirror, girl, girl in the mirror

Silento!

Sophia, you did it, you took it to the top

You gotta keep going, the grind never stops  
OK  
I see you on YouTube with all them views  
Yeah, girl, I'm watching you  
You got that swagger, you got that glow  
For all the doubters, just let them know  
Count up more, for days just go  
I love your soul and your rhythm flow

Like "Oh, ooh, yeah", I'm like "Oh, ooh, yeah"  
Put your hands in the air  
You got that girl power, that girl power  
Put your hands up for the girl power

I like it, I won't bite it  
Keep it on 'cause I'm watching  
You know it, just kill it  
Don't stop  
Sophia Grace, you're number-one chance

That's why I'm talking to the girl in the mirror, whoa, oh  
Like even if you're down, better get up, whoa, oh  
'Cause every setback's just a set up, whoa, oh  
For something just a little bit better  
Oh, I'm talking to the girl in the mirror  
Girl, girl in the mirror  
Girl in the mirror, girl, girl in the mirror  
Girl in the mirror, girl, girl in the mirror
