Midnight Obsessions

SOPHIA

She said it?s all
You?ve got to feed the babies with the money w make
My heart is gone the day it died it said
Enough with love, enough with love
We are here tonight
In the middle of a cinema waiting for my eyes to get so cristal ized

And she?s standing on the window holding on the phone
Barely naked, I stare at her with this pervert eyes...
Ohh couldn?t fall in love

Juro juro ante el diablo y dios que no te voi a dejar ir tan fa cil
So we?ll bury them all

I know I?ll never be the last to know
I never have had any pact with god
I?ll never be again in home cause home is

Where the heart as I?ve been told

Juro juro ante el diablo y dios que no te voi a dejar ir tan fa cil
Yeah looking for

And these kids I hope they never became the thing I am
Stay out of drugs, keep out from alcohol
Cause too much licour on the blood
Girls are having too much fun and also getting un conscious

And she's standin on the window holding on the phone
Barely naked, I stare at her with this pervert eyes...
Ohh couldn?t find a love

Juro juro ante el diablo y dios que no te voy a dejar ir tan fá cil
