

## There Are No Goodbyes

SOPHIA

I lost my head in a landslide  
I should have seen it coming  
But you took me surprise

Well fold me up gently  
And tuck me away into your silence  
Where I will sleep  
Safe in the secrets that bind us  
because...

There are no goodbyes  
There are no goodbyes

And sweetheart  
You know that I don't blame you

How can I when I know the pain you hide?

And I'm sorry  
Can you forgive me?  
I wish that I was stronger but I tried  
And even though  
I know I should really be letting go  
Somehow  
Yeah somehow  
I just keep holding on...

Because there are no goodbyes  
There are no goodbyes
