Very First Time

SOPHIA

show me what you mean boy
cause i could get used to this
obsessed with your sexiness
its you thats in my heart
and i know what your tryin
to do your making me work
for you makin me fuss over
you i cant help if im in love.

and i know it that look in your
eye my baby. that u want me too.

for the very time ive got this strangest
feeling in my mind im thinking of what to do
for the very first time dont wanna lose this
meaning the best time i have is with you.

unashamed of showing my affection.
just spend a little time with you stay up late
on the phone to you

i cant believe what i feel inside
and i know it that look in your eye
my baby. that you want me too.

for the very time ive got this strangest feeling
in my mind im thinking of what to do
for the very first time i dont wanna lose

this meaning the best time i have is with you

for the very first time ive got the strangest
feeling in my mind im thinking of what to do
for the very first time dont wanna lose this meaning
the best time i have is with you

ive seen the tide written on the floor yah
youve got my hand if you ever really need it
anytime if you think youd fall im with you im
with you dont really need a second invitation
give me something to look forward to
all i want is a little love nation to be with you

i got the strangest feeling dont wanna lose
this meaning baby baby

i feel so alive for the very first
for the very first time ive got the
strangest feelin in my mind im thinkin of
what to do for the very first time dont
wanna lose this meaning the best time i have
is with you
