I've been doing better since  
You haven't hit my phone up in a week or two  
But next time that you call  
I'm gonna call you out for lying like you always do  
And every time that you come back around  
You know I always end up on the ground  
So don't tell me that you miss it  
'Cause this time, I'm not listening

Sucks for you, babe  
I thought that it would kill me  
But I'm okay  
And ever since you left me I've been  
Busy with a new babe  
Staying out late  
Sucks for you, babe  
You really thought that I was gonna sit and wait  
For you to realize leaving was a mistake  
But it's too late, what can I say?

Sucks for you, sucks for you, sucks for you  
Sucks for you, sucks for you, sucks for you

I was drinking whiskey under colored lights  
And thinking I'd forget the times  
You were selfish and so reckless  
Treating me like a possession, I said it was fine  
You're saying that the silence is too loud  
But I only care what's better for me now  
So don't tell me that you miss it  
'Cause this time, I'm not listening

Sucks for you, babe  
I thought that it would kill me  
But I'm okay  
And ever since you left me I've been  
Busy with a new babe  
Staying out late  
Sucks for you, babe  
You really thought that I was gonna sit and wait  
For you to realize leaving was a mistake  
But it's too late, what can I say?

Sucks for you, sucks for you, sucks for you  
Sucks for you, sucks for you, sucks for you

Sucks for you, babe  
I thought that it would kill me  
But I'm okay  
And ever since you left me I've been  
Busy with a new babe  
Staying out late  
Sucks for you, babe  
You really thought that I was gonna sit and wait  
For you to realize leaving was a mistake  
But it's too late, what can I say?

Sucks for you, sucks for you, sucks for you  
(Sucks for you) Sucks for you, sucks for you  
Sucks for you, sucks for you, sucks for you  
(Sucks for you) Sucks for you, sucks for-
