

## waste my time

Sophie Cates

You are never gonna be the type to commit  
One day you're in love, then you're over it  
Oh yeah (Oh yeah)  
But I can never get tired of chasing you  
Even when I know what you're gonna do  
Oh yeah

But I don't mind  
I don't mind

'Cause I want you to waste my time  
I want you to waste my time  
I want you to waste my time  
I want you to waste my time  
Want you to waste my time

You always wanna tell me tempting things  
But you would never drive to get to me  
Oh yeah  
So I go out of my way to get to you  
Any time you say you want me to  
Oh yeah

But I don't mind  
I don't mind

'Cause I want you to waste my time  
I want you to waste my time  
I want you to waste my time  
I want you to waste my time  
Want you to waste my time

'Cause I want you to waste my time  
I want you to waste my time  
I want you to waste my time  
I want you to waste my time  
Want you to waste my time  
I want you to waste my time  
I want you to waste my time  
I want you to waste my time  
Want you to waste my time
