

# Don't Know What You've Got Until It's Gone

Sophie Ellis-Bextor

Details in the dust  
And I wonder through  
I'm thinking back to what I've lost  
Things I didn't do

And they say, "Never look back  
It doesn't happen like that  
Sometimes the memories attack."  
It's true  
And it's all part of the map  
The place I'm finally at  
Made up of good and of bad  
I'm moving on and

You don't know what you've got until it's gone  
(Don't know what you've got until it's)  
No, you don't know what you've got until it's gone  
(Don't know what you've got until it's gone)  
Everything that matters, layers of the past  
Just be glad you had it, now it's gone, gone, gone (Ah, ah)  
Gone, gone, gone (Ah, ah, ah)

My mind's playing tricks  
And I lose the thread  
I didn't always feel like this  
Ghost in my bed

And they say, "Never look back  
It doesn't happen like that  
Sometimes the memories attack."  
It's true  
And it's all part of the map  
The place I'm finally at  
Made up of good and of bad  
I'm moving on and

You don't know what you've got until it's gone  
(Don't know what you've got until it's)  
No, you don't know what you've got until it's gone  
(Don't know what you've got until it's gone)  
Everything that matters, layers of the past  
Just be glad you had it, now it's gone, gone, gone (Ah, ah)  
Gone, gone, gone (Ah, ah)  
Gone, gone, gone (Ah, ah)  
Gone, gone, gone (Ah, ah)

So let it go, go  
Let it go, go  
Let it go, go  
Let it go, go  
Oh, let it go, go  
Let it go, go  
Let it go, go  
Let it go

You don't know what you've got until it's gone  
(Don't know what you've got until it's)

No, you don't know what you've got until it's gone  
(Don't know what you've got until it's gone)  
Everything that matters, layers of the past  
Just be glad you had it, now it's gone, gone, gone  
Gone, gone, gone  
Gone, gone, gone  
Gone, gone, gone
