

Famous

Sophie Francis

Yeah I've been on that rum and diet like every night
Living on that box of wine ain't right
Momma told me she can't float me
Mine as well eat taco bell
Then go to sleep and dream about those lots of tails yeah
Droppin' that old beat
Slippin' that old eat

Wish I was famous so I wouldn't have to buy shit
If I was famous I would never wait in lines bitch
I'd go to Vegas and get faded with my moms
When I get famous
When I get famous
Wish I was famous
If I was famous
I show up late if imma even show at all
Cause bitch I'm famous
Oh yeah I'm famous

Yeah I've on

Tossin' and turnin' this futon all night
I don't pay red if I pay red

Livin' la vida da life

All of my exes gonna see me on the tv making history and wish t
hat they'd believe in me

Wish I was famous so I wouldn't have to buy shit
If I was famous I would never wait in lines bitch
I'd go to Vegas and get faded with my moms
When I get famous
When I get famous
Wish I was famous
If I was famous
I show up late if imma even show at all
Cause bitch I'm famous
Oh yeah I'm famous
If I was famous
I show up late if imma even show at all
Cause bitch I'm famous
Oh yeah I'm famous
