

# Invisible

Sophie Hunger

When I step out on the street  
All the papers speak to me  
Telling me about the truth  
On Pages  
The fish are dying out again  
Michael Jackson had a friend  
I should not forget to spend  
My wages

what's how everybody knows what everybody knows about  
And everybody are the bodies that we know about

2x Refrain:

Where are all the people at?  
Someone's paying for the fat  
Why hasn't it exploded yet?

- it's invisible

I don't know what it is that there is behind the curtain  
But there is something out there burning and it is unspoken

4x Refrain:

Where are all the people at?  
Someone's paying for the fat  
Why hasn't it exploded yet?

- it's invisible

Somewhere in the Hindu Kush lives the greatest poet  
Scribbling signs into the dust and we will never know it
