Why you got a secret  
What's behind your back  
A fire bolt, a thunder  
Go pull it out of a hat

Why do you need to keep it  
Why can't it be explained  
And how come I can't see it  
When it's part of every everything

Oh, go, man I don't need to know  
What I need to believe  
Oh, go, man I don't need to know  
What I need to believe

What if I made up a secret  
Took a pen and wrote it down  
What if I held up that paper  
And had it be passed around

Wouldn't that be clever  
Wouldn't that be "wow"  
I'd still be standing in the weather  
As I'm standing in it now

Oh, go, man I don't need to know  
What I need to believe  
Oh, go, man I don't need to know  
What I need to believe
