

## Do You Think It Could Wait

Sophie Zelmani

Do you think it could wait?  
I don't believe  
That I can do this now  
I don't know what it is, but  
It would cost too much pain  
Not to make this right

We need to begin  
To face the troubles we are in  
We are waiting outside  
To source our lives

Can I come back?  
I don't think that I will make it now  
Where I'm at  
It's too far from what we're about

We need to find  
Those moments we fly  
We need to fly out  
And back into line
