

Lemonade

Sophie

Lemonade, l-l-lemonade
Lemonade, l-l-lemonade

I've got something to tell you
I hope you understand
I never meant to hurt you
It wasn't in my plans
It's just that when I'm with you
And everything's okay
I get that fizzy feeling
And I want lemonade

Lemonade, l-l-lemonade
Lemonade, l-l-lemonade
Lemonade, l-l-lemonade
Lemonade, l-l-lemonade

Candy boys, c-c-candy boys
Candy boys, c-c-candy boys
Candy boys, c-c-candy boys
Lemonade, l-l-lemonade
Candy boys, c-c-candy boys
Lemonade, l-l-lemonade
Candy boys, c-c-candy boys
Candy boys, c-c-candy boys
Lemonade, l-l-lemonade
Candy boys, c-c-candy boys

I've got something to tell you
I hope you understand
I never meant to hurt you
It wasn't in my plans
It's just that when I'm with you
And everything's okay
I get that fizzy feeling
And I want lemonade
